## AI GUIDANCE HIGHLIGHTS

**Guidance Highlights** — A monthly newsletter from the Guidance Office to help to keep the juniors and seniors (and their parents) informed about important events. Students, please make sure that you share this information with your parents! Posted under "Guidance" on the AI website at [aiduponths.com](http://aiduponths.com)

**College Visitation Program** — Juniors and seniors should check the calendar posted in Guidance to see about any schools that will be sending a representative to AI. Interested juniors and seniors should see Mrs. Merritt for a College Visitation Pass. The teacher that a student has during the period of the presentation must sign the pass, indicating their approval for the student to attend.

## ADVISORY PERIOD *meets every Wednesday*

The advisory period includes structured lessons, group discussions and time for students to work on their Student Success Plans (SSP) & Silent Sustained Reading (SSR). Students will meet every Wednesday in small groups with the same advisor/mentor throughout their time at A.I.

Advisory is designed to cover a broad range of topics but its ultimate goal is to make the student experience more personal and strengthen teacher student relationships.
